Kirk Lin

Hello, I'm Kirk Lin,

a self-taught full-stack web developer and freelance software engineer from China.

I am driven by the pursuit of innovation and the desire to bring ideas to life with elegant and functional interfaces. I am always striving to create the best user experience, architecture, and code quality in every project I undertake.

Kirk Lin

凡夫俗子不知道贤者之名，

岂料我乃一位全栈工程师和自由职业软件工程师，自幼痴迷软件开发，

崇尚创新之思维，尤嗜优美之界面。每逢我所构建的项目，必然细心呵护用户体验，追求架构之卓越，求取代码之至美。
